SNOWSTUFF TOP PICK

BIG WHEEL SHOP DOLLY

Big wheels make small work of moving sleds ❖ Narrow profile high-strength nylon wheels have a 20" large diameter for easy use with any sled ❖ Can handle sleds up to 41 1/2" wide – dolly tires are high pressure to withstand the weight ❖ Sleds can be easily moved over obstacles thanks to large wheel diameter ❖ Made using large diameter heavy-gauge tubing for superior strength ❖ Dolly firmly grips sleds using 10" high-density urethane pads that won't mar finishes ❖ Secure fit from adjustable quick strap ❖ Attachment hook is PVC-coated to save your sled's finish ❖ Design is swept-back for easier lifting ❖ Crossbar is kept away from windshield and handlebars using a low balance point ❖ Retractable legs lift sleds without trailing arms and older leaf-spring suspension models without damage

$359.09 PART NO. 28-1938

HEAVY-DUTY SHOP DOLLY

factory SPEC

Shop dolly with black enamel finish is an invaluable tool for moving sleds on dry land with ease ❖ New anti-slip pad system for a sure grip that won't mar or scratch; adusts to fit machines 33" to 48" wide ❖ Ball bearing wheels provide unmatched mobility for both heavy and light loads ❖ Adjustable legs lift machines with independent or leaf spring suspensions ❖ Requires assembly

$214.99 PART NO. 28-2930

NEW

factory SPEC

TRAILER DOLLY

1 7/8" chrome plated hitch ball ❖ Supports up to 600 lbs. for easy maneuverability of snowmobile, boat, cargo, jet-ski and other similar loads ❖ 10 1/2" x 3 3/8" pneumatic tires cushion the load

$89.99 PART NO. 28-3634
